Re Homestead Application,
James Hard Dick, Sept. 20, 1904.
Patent issued Feb. 15, 1905.

Sir:-

For many years I have been endeavouring to get information statement in writing made by my father, Samuel Hard Dick, regarding date and place of my birth.

It has lately come to my attention that my father originally applied by proxy for a Homestead for me in Alberta on which I later obtained patent, on S.W. quarter of Sec.6, Tp 17, Rge.1, W. 5th Mer.

Would it be possible for your department to check the original application and forward me all possible data as to positions made by my father regarding his son James Hard Dick, particularly month, date and year of birth; place where born; citizenship and permanence, etc.

The old Calgary Land Agency file number is 30620.

Please return the Edmonton letter enclosed herewith.

Thanking you,

Yours truly,

I am writing to get full available data so that I may make application again for registration and get a new Birth Certificate of Birth.

I previously wrote your Department under date of Oct. 26/61 and received your office reply dated Nov. 1st. that accompanied that communication.

In your office reply you only knew that I made a sworn statement as to my age on July 6th, 1912 and correctly stated as 62 years at that time.

As previously requested it is Birth Registration data I want.

Would it be too late for your Department to check the original application and see if it were made by Proxy by my father, Samuel Mark Dick, and would it be a great help to me in establishing the month, day and year of my birth, place where born, parentage, witnesses, etc.

Thanking you again to look in to this,

Yours truly,

Dear Mr. Dick:

I have your letter of the 6th of November asking if we can supply you from our records any further information which might enable you to secure a certificate of birth.

On the 23rd of December, 1907, you requested that you be granted Letters Patent for the S.W.¼ 6-17-1 W. 5th Mer. and later submitted a Statutory Declaration which was signed by yourself and dated the 23rd of January, 1908 in which your age at that time was 22 years.

As mentioned in our communication of the 2nd of November you gave your age as 22 years in the sworn statement which accompanied your application for patent, dated the 6th of July, 1908. This document was also signed by yourself personally.

In documents regarding Grants of Dominion lands only the age by years was required and hence it is regretted that we have no knowledge as to the actual date of your birth nor can we give any further information than that contained herein.

Yours sincerely,

Dear Mr. Dick,

I have your letter of the 8th of November, 1951, asking for information which would be of assistance to you in establishing the day, month and year of your birth, place of birth, parentage and citizenship.

A search has been made of the files covering yours and your father's applications for homesteads. It has been found that you initially applied for a patent for the SW¼ of 6-17-1 W5th Meridian in a letter signed by yourself and dated the 23rd of December, 1907. We cannot find the form on which you made application for homestead entry. This is regrettable as this form gives information concerning the place of birth. In the sworn statement signed by yourself dated the 6th of July, 1908, in which you applied for homestead patent, you stated that your age was 22 years and in reply to the question "Are you a British subject at the present time? If naturalized, Certificate must be filed. If naturalized through parent's description of homestead, a certified copy of certificate of naturalization must be furnished." You replied, "Yes, never alienated."

An examination of your father's file shows that in his application for a homestead entry, dated the 12th of August, 1905, for the NW¼ of 16-17-1 W5th Meridian, he stated that his age was 53, his wife's age as 54 and that he had four children aged 21, 19, 23 and 12 years and that he was born in New Brunswick and that his previous occupation was M. Mariner..

In a letter dated the 20th of February, 1907, addressed to the Secretary of the Department of the Interior, Ottawa, your father stated

in part, "should you wish any more information as to my character, veracity etc. kindly write me and I will have Senator Dan Gilmore (?) and G. K. Cameron, M.P., both from Charlotte County, N.B., as I am, to call on you and vouch for me." It is regretted that we cannot find in our records any more of the information which you desire. However, it seems to be established that your family came from Charlotte County, N.B., and it is likely that if you made inquiries there you could obtain more detailed information concerning the date and place of your birth.

Yours sincerely,

Robert H. Winters.

Dear Mr. Dick,

I have your letter of the 8th of November, 1951, requesting information to assist you in establishing the day, month, and year of your birth, place of birth, parentage, and citizenship.

A search has been made of the files containing applications for homesteads from yourself and your father. You initially applied for a patent for the SW¼ of 6-17-1 W. 5th Meridian in a letter signed by yourself and dated the 22rd of December, 1907. There is no record of the form on which you made application for homestead entry. Your sworn statement of the 6th of July, 1908, applying for homestead patent showed your age as 21 years. The following questions were also contained in the form:

"Are you a British subject at the present time? If naturalized, Certificate must be filed. If naturalized through parent's description of homestead, a certified copy of certificate of naturalization must be furnished."

You stated: "Yes, never alienated."

An examination of your father's file shows that in his application for a homestead entry, dated the 14th of August, 1908, for the NW¼ of 16-17-1 W.5th Meridian, he stated that his age was 63, his wife's age 54, that he had four children - 21, 19, 13, and 12 years of age, that he was born

R.H. Winter, Min. (2)

Nov.21/51

I have lately forwarded The Secretary of State of Canada a "Petition for a Certificate of Proof of Canadian Citizenship by a Canadian Citizen".

I was born at sea, on Ship "Wildwood", built, owned and operated out of St John, N.B., by William Thomson & Co, father was captain of "Wildwood" and I have the ship's flag (Jack) and the owner's house flag flown on that ship the day of my birth. Father sailed for that company about forty years. Father's name was Samuel Ward Dick and mother's name was Ellen McDiarmid before marriage. Their home port was St John before and after my birth. Both parents were born near Mascarene, Charlotte County, N.B of parents of several generations residence there, of Scottish descent.

By my father's and mother's statements to me many time, and by my elder sister's attested statement, I was born on December 24th, 1885, on ship "Wildwood", between Cape of Good Hope and St Helena, en route Hong Kong to Liverpool (China to England) but I cannot find any official record of port entry of that ship nor of my birth recording. Have tried Somerset House, London; Port Capt. of Liverpool; Vital Statistics at Fredericton, N.B.; Port Capt. , St John, N.B.; and for log books of Wm. Thomson & Co. , St John,N.B. which were all destroyed in 1919, they now write me.

So -- you can readily see I am having a Hell-of-a Fine-Time, but with your help I can now prove I am not a Chinaman (as some Supreme) Court) judges here suggested possibilities thereof), as follows --

I will now get my elder brother, Archibald Silas Dick, (who was my only brother, born Nov. 28/83 and formerly owner of SW ¼ of sec.16-17-1 W.5th Mer, by homestead patent, to make official attestation covering your letter paragraph 5, designating names of children by their ages therein at that time to show I am son of Samuel Ward Dick mentioned in connection with said land.

Thanking you again,

Yours truly,

J.W. Dick.

Re James Ward Dick - Birth data.

Sir:-

Thanks very much for your letter of Nov.19/51 answering mine of Nov.8/51 and your enclosure of information set forth in my application for homestead patent in Alberta in 1907-08, and also from statements in homestead application by Samuel Ward Dick, my father, in 1905, dealing with data regarding day, month, and year of my birth, place of birth, parentage and citizenship, etc.

Again, I thank you for the time and detail you have given this matter.

There is one question you distinctly clear up that I will not be searching for again, ie - in your second paragraph you say "There is no record of the form on which you made application for homestead entry". I had tried to get copy of that form from Calgary and Edmonton offices, and they could not find it either,- so Ok on that.

In your letter you have definitely shown that my father's declaration of his place of birth proved his Canadian citizenship, and that is the only record of a signed statement of that nature by father that I have now access to; ----- but father's name was not mentioned in your letter in connection with NW ½ sec.16-17-1 W.5th Mer.. Of course our homestead land patents issued is proof of Canadian citizenship at that time.

What I am searching for is to find evidence of the place where my birth was officially registered, and so far I have been unable to do so, and both Alberta and New Brunswick refuse to register me, therefor presently I am going to apply to Ottawa to see if some Department will appoint, or designate, an official Canadian Department where I can register my birth date, place and parentage so that my children (three) and grandchildren (six) will know where to find it officially.

I will inform you that my age is proved, granted, and accepted in Vital Statistics offices in Alberta and other places, by officially attested statements by my sister, twelve years my senior and made about 1913 for insurance purposes and other attestations, but -- no Canadian official department will accept my delayed birth registration.

MEMORANDUM:-

Mr.C.T.Atkinson states that he would like to have sufficient of the S.E.¼ of Section 30, Township 37, Range 18, West of the Fourth Meridian, added to his homestead to bring it up to the full theoretical area of 160 acres.

The land applied for, which is shown hatched in red on the sketch annexed hereto, is vacant in the records of the Department, and adjoins Mr.Atkinson's homestead, (shown hatched in blue on the sketch), for which he obtained entry on the 25th October last.

As Mr.Atkinson's homestead contains 96.6 acres, and the fractional quarter section applied for, 106.4 acres, if sufficient thereof were added to his homestead to bring it up to the full theoretical area, there would be an excess area to be paid for of 43 acres.

Dear Sir:

Some years ago I took all the documentary evidence needed to establish my age. Now upon applying for the "Old Age" pension, I find that I have nothing to prove my age. The Department of National Health & Welfare have suggested that I write to your Department asking you to check your transcripted records, to ascertain my age at the time of made entry.

I filed entry on the NE¼ Sec. 4 - Twp 11 - Range 10 - W of 4th Mer. in the month of March 1908.

Trusting that you will forward the information promptly I am

Sir,

Referring to your file 469828, I beg to return herewith the application for patent of John Marsh, for the North East ¼ of Section 24, Township 10, Range 15, West of the 4th Meridian, together with a form setting forth the duties alleged thereon, and that shown by previous papers on file here. By reference to this form you will see that the statement in regard to residence and improvements differ considerably and it will be necessary to have the case carefully investigated. Evidence should be taken from independent sources so that the Department may be in a position to decide finally whether or not the duties have been completed to entitle the homesteader to patent.

Besides the discrepancies set forth in the form the following irregularities exist:-

(1) In the application for patent the homesteader states he erected his house in April, 1907, whereas in the application dated the 14th of July, 1908, he states it was built in April, 1908.

Will you be good enough to look at the correspondence in this case and Mr. Fowler's letter of the 7th of December, 1910.

On the 10th of October last the man was written to and advised that his case was being investigated and the Agent at Lethbridge now sends down here a Homestead Inspector's report with one declaration in support of Mr. John Marsh's application for patent and his Supplementary Statement.

It seems to me that the points raised in H.O. letter of 7 Dec'10 have not been dealt with. H.I. has omitted to report on them. He should be asked for information

The Inspector makes the following remarks in regard to the matter,-

> "I have at different times interviewed nearly every Homesteader in the vicinity of Mr. Marsh's homestead, and they all state that Mr. Marsh has performed considerable residence but they can not give dates, nor would they give declarations as to Mr. Marsh's residence. It is apparent that Mr. Marsh's family have been in residence during the above noted periods. but Mr. Marsh himself would appear to have been absent some short intervals during the residence claimed.
>
> In the matter of cultivation and improvements Mr. Marsh has complied with the regulations, having at the present time 55 acres cropped. and I am personally aware that part of this was broken prior to 1910 and cropped in 1910 and 11.

> I herewith attach a declaration of W.H.Bennett."

Pre-emption - John Marsh.
.....

Mr. Marsh made application for pre-emption patent on the 28th July, 1917, claiming sufficient residence and cultivation to entitle him to patent.

He received a Certificate of Recommendation which expired on the 17th February, 1921. He was granted an extension of time to the 1st November, 1922.

On the 3rd February last Mr. Cuttle reported:-

> "Mr. Marsh has not been in the district for years. There was no crop on the above land last year and there are no improvements whatever on it. Mr. Marsh is residing at Lethbridge, Alta. I would recommend that the entry be cancelled."

Cancellation proceedings were instituted on the 14th March last. Mr. Marsh filed a defence which has not been sworn to or dated.

He was advised that the cancellation proceedings were instituted for failure to complete payments, but that it had been decided to hold over the proceedings for a period of sixty days. This letter was dated the 17th May. No reply has been received and the Agent has furnished an Abstract of Title which shows a caveat registered against this land by the Municipality of Eureka #65.

In view of the above kindly say what action you desire taken.

Please see letter of the 17th ultimo from F. Dickson, Administrator of Statutes, Department of the Attorney General, Edmonton, Alberta, wherein it appears that title to the land above described is encumbered by two liens one for the sum of $60.25 and the other for $110.26.

In this connection I am to advise that the records show that one John Marsh received from the Department in 1915 on the security of the NW¼ 19-10-14 W.4th M. and the NW¼ 24-10-15 W.4th M. Fodder and Relief for the above mentioned amounts which are still outstanding, but on comparing the signature of the lienee, John Marsh with that of John Frederick Marsh, the registered owner of the NW¼ 24-26-6 W.4th M. they are, no doubt, not one and the same person.

It is therefore presumed that the existing registration against the NW¼ 24 was effected through similarity in names.

The matter is, therefore, referred to you for further action.

Please see Mr. Matheson's letter of the 13th ultimo relative to the removal of the liens for $60.25, $50.00 and $110.25 affecting the land above described.

In this connection it appears that the necessary steps to remove two of these encumbrances namely the $60.25 and $110.25 were taken under date the 15th ultimo as requested in my memorandum of the 12th idem (marked).

The additional item namely the $50.00 covers the relief advance made to John Moran on the security of the NW¼ 19-19-14 W.4th M. and NW¼ 24-19-15 W.4th M.

It would, I presume, also be in order to have the said amount removed from John Frederick Moran's land, the NW¼ 24-20-0 W.4th M. as they are no doubt not one and the same party.

This Department has an old account against the above noted land for advances of seed grain and relief to John Marsh in 1911 and 1915. We are anxious to bring our records up-to-date and if possible to settle these long outstanding accounts. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of John Marsh
N.E. 24-10-14-W.4
N.W. 19-10-14-W.4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, and instructed as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1911 and 1915 seed grain and relief amounting and amounting to $190.96 were advanced to John Marsh on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 190.96	$ 379.26	$ 570.22

Patent was issued in the name of John Marsh for the N.E. .4-10-15-4 on the 10th of June 1912, subject to the 1911 lien. The N.W. 19-10-14-W.4 was formerly the pre-emption entry of the debtor whose entry was cancelled in 1913 and the land is still unalienated Crown Land held in the right of the Province.

In 1928 the N.E. .4-10-15-4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Eureka No. 14.

The Municipality has been unable to dispose of the N.E. 24-10-15-W4 by sale and the land is still vacant and no longer being operated. There is an accumulation of $1,73-.97 arrears of taxes outstanding against this quarter section. The N.W. 19-10-14-W.4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being cultivated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

The Dominion Lands Office Ottawa

Dear Sirs

I wrote last fall concerning the SE. 1/4 sec 10 tp 1 range 4 west of the 4th meridian and asked if I might be allowed the next right and you acted the circumstances. You answered that you had noted my letter and that an inspector should enquire into the matter and if it were ~~so~~ cancelled a decision would be come to as to what should be done with it and I should be notified. I am writing this letter not only to call your attention to the above mentioned matter but to something which I consider is a serious wrong to men like myself who are unable to homestead land but through certain circumstances with relation to family a distance from a railroad.

I find that the SE 1/4 sec. 10 tp. 1 range 4 west of the fourth was entered for early March 1913 the land was formerly a certain O. Kilgrens pre-emption and now its homestead of George Porter of Grassy Lake. There was no notice whatever of that land posted in the post at Grassy Lake and an enquiry I found it was posted in the private office of the land agent which is a small room inside the post office lobby. No one in Grassy Lake but the man who has the now knew it was thrown open. It is a matter which one who believes in fair play would not put straight. I could have tried for that land. Now I am busy putting in my own rented land and cant afford to be away trying to homestead

Sir

I beg to acknowledge receipt of copy of R. C. Mitchell also copy of answer to same dated may 13th 1913. file 1 D 15 14431 2297432

In his letter dated 9-4-13 Mr Mitchell states that the NE¼ of 35-10-13 formerly the preemption of Kilgrow was not posted in post office at Grassy Lake; this is untrue. He does state the land in question was posted in the private office of the land agent, he does not say where, but the presumption is he means the sub agent at Grassy Lake, whose office is in a small room inside the post office lobby. The lobby referred to has a frontage of 12' entirely Glass and measures 12'x2½'. The door of what he calls the private office opens off this lobby so called, and is plainly visible from the street which it faces.

There is a Dominion Lands subagency sign hung in the front window and one fastened on the door of the private office both of which are easily read from the street. It is true that Lands becoming available for entry are posted in my office, but it cannot be true, that no one in Grassy Lake but the man who has all land now, knew it was open. The only privacy about this office is when applicants for patent and witnesses have to stay outside, only two of them being admitted at a time; others not interested in business of that kind are at liberty to come in and inspect notices of Lands becoming available for entry and do so. I might say more upon this this matter, but the gentleman who was the complainant is no more he will be buried tomorrow. I invite investigation and fervently thank you for this opportunity of replying to complaint

Gentlemen:- With reference to the South East Quarter (SE¼) of Section Six (6) Township Ten (10) Range Fifteen (15) West of the Fourth (4th.) Meridian, Province of Alberta, and which will be open for entry on Saturday July 19th. 1913.

I am to state that I am the first person at the land office on the morning of July 19th. (Saturday) at 8 o'clock A.M., for the purpose of filing on the said land as a pre-emption, and I stayed there all the time. On Friday morning the 18th. of July Mr. George P. Porter and his son came to the land office to enter with several of his friends on the land but [illegible] ordered them off Friday morning he ordered me and my son back to the side walk. This was the first notice the Land Agent ordered us back to the side walk. Mr. Porter and his son jumped in ahead of us and were allowed to remain in my place until Saturday morning until the Land office opened, when Mr. Porter went in and filed on the land for his son who is not yet of age.

Mr. J. Hunt was second man at the land office Friday morning, the 18th., of July, and left right away as I had first place. I could not wait for him before but I was very tired and must be here. I am a [illegible] of years old and have a wife to look after.

I had two men with me who can prove my statements.

Referring further to your letter of the 4th of July last, and this office communication of the 19th ultimo in reply thereto, respecting the land above described, I beg to say the Dominion Lands Agent at Lethbridge reports that the application for the reservation of the land above described in the name of Warren P. For your information I may say that a priority of right on the part of a waiting applicant to enter for any parcel of land does not arise before the opening of the office on the date upon which such land becomes available for entry. Priority of entry arises only when the applicant enters the door of the land office and as provided by the regulations enters his name in accordance therewith.

The Department regrets the inconvenience you were put to in this matter and moreover your failure to secure the quarter-section desired. There will be extended to you however, on application all possible assistance in the securing of a suitable location.

Sir,

With reference to your letter of the 14th inst., your files No. 2292432 and 1814474, having reference to the complaint of Mr. H. J. H. Lonju, in connection with the S. ½ of Letter C, Township 10, Range 13, west of the 4th Meridian, I beg to advise you as follows:

This land was posted on the 6th ult., and became available for entry on the morning of the 19th of that month. Mr. Lonju, according to his own statements, claims to have been present at this office from the 13th of July in order to secure entry. I might state that every morning it is customary to notify parties, who may be waiting for lands, that if they do not desire to do business in the office on that morning, that they must either proceed to enter the office together with the other applicants or step back to the side walk where they will not interfere with the entrants to the office. If Mr. Lonju was present during the time he stated, he was given this same information six or seven times, and as he did not desire to enter the office on the 23rd morning referred to, he and the rest of the applicants were asked to step back to the side walk

Referring to your letter of the 4th inst. in which you say that you are returning the letters of administration for the estate of the above soldier so that the same might be sealed in the Court of the Probate Judge for the Land Administratrix. We think that you are in error in not minuting this because, the case is in the Sub-Judicial District Court and the letters of Administration are then sealed in the Sub-Judicial District Court later.

We are returning the copy of the letters of administration, Ann Porter. Will you now give this your careful attention.

Your Ref. 69333.

I have your letter of the 21st ultimo enclosing a report from Homestead Inspector Murcombe in which he says that the land is not under cultivation and mentions the name of G. Porter, Lethbridge, as a relative. You will remember that patent in this case issued in the name of Ada Porter, c/o Messrs. Ball & Holyoak, Barristers, Lethbridge, Alta.

If Mr. Porter is still in Lethbridge why not endeavour to locate him and advise him that the Department is seriously considering the advisability of Foreclosure Proceedings in the case of this land and it might be to the interest of those concerned to take some definite and immediate action with regard to the payment of this debt.

Re: S.W. 6-10-13-W.4th.

This Department has an old account against the above noted land for advances of seed grain, relief and fodder to Warren P. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of Warren P. Porter (deceased),
S.W. 6-10-13-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $331.30 were advanced to Warren P. Porter on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 331.30	$ 625.20	$ 956.50

Patent was issued in the name of Ada Porter, as personal representative of the late Warren Percival Porter, for the S.W. 6-10-13-W.4th on the 26th of January, 1920, subject to the 1915 liens.

In 1923 the homestead inspector reported that nothing was being done on the land and it had all gone back to grass and weeds. Again in 1926 it was reported that there was no cultivation on the land and that the owner had moved to California, U.S.A., and that prospects for cultivation were very poor.

In reply to our questionnaire of the 18th of September, 1952, W.F.F. Sim, Secretary Treasurer, Rural Municipality of Lac Pelletier No. 107, Neville, Sask., advised that the land is now assessed in the name of C.R. Woods Estate and that it is still vacant and no longer being cultivated and that the land has no value. There is also an accumulation of $299.40 arrears of taxes outstanding against this quarter section.

The information obtained indicates that the land has been idle for thirty years or more and is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: Robert ...teover
... 19, 16-12-20-4
Joint Relief Advances.

The above party obtained the following relief advances through the former Municipal District of Clinton, No. 427, giving as security liens on the title to the above land:

March 6, 1922	$ 32.25
March 6, 1922	42.00
March 15, 1922	30.00
April 7, 1922	43.25
April 10, 1922	29.00
May 3, 1922	9.00
June 22, 1922	15....
	14. .15
Interest to December 31/...	220. -
	$450.65

The debtor found himself in difficulties in the mid twenties and was ... assistant in bankruptcy. He apparently was unable to improve his circumstances as he evidently abandoned the land and his present whereabouts is unknown.

Title to the above land was subject to a mortgage held by the Manufacturers Life Insurance Company registered prior to the liens. Foreclosure action was proceeded with resulting in the title being vested in the name of the Company free of all liens.

As there is now no possibility of obtaining repayment under the personal covenant and as no security remains, I recommend

balance outstanding be written off.

Provincial Bond Grain Advances in the original amount
$1,400.65 have already been cancelled together with accrued
interest.

Yours very truly,

Chief Clerk.

Re. S. E. ¼ of 4-12-27-W. 4th M.
Homestead, Daniel Conrad.
Entry issued 21st December, 1911.

A petition certified by a great number of the settlers here in February last asking that the above quarter section, which was timber land, be sold for the purpose of making a road.

The agent at the same time stated that he was under the impression that there were forty-five acres of commercial timber on the quarter section.

The Timber Inspector reported on the 3rd of August last that there were about twenty acres of agricultural land and twenty acres of scrub willow, the rest of the quarter is timber, about five inches at butt and all fit for fencing.

The Inspector stated that the land was unfit for agricultural purposes and should be withdrawn from settlement in interest for settlers.

IMPROVEMENTS:
House 16'x16'x12' no roof.

The Inspector on the 2nd of September was instructed to institute cancellation proceedings. A defence filed by Conrad Howe that he has been in continuous residence with his father on the S. E. ¼ of section 14, township 28, range 1, West of the 4th meridian, which is seven and one-half miles from the homestead.

IMPROVEMENTS.

Memorandum:-

Mr. Edwards.

S.W.¼ of 4-13-17. 4.4th M.

In view of the length of time that the entry has been allowed to stand I do not think the Department would be justified in now cancelling it and ordering the land restored. It appears to be considered worth entry, it apparently only being fit for cropping. In his attorney's letter Mr. Conrad admits that in his attorney's letter Mr. Conrad admits that he has not resided, although the Inspector in his report of the 3rd August only credits him with 3 acres broken.

I think under the circumstances, it would be advisable to call Mr. Conrad's attention to the discrepancy and ask him for an explanation.

When Mr. Conrad has been heard from you will be able to bring the matter up for consideration.

Sir,

Referring to the Statutory Declaration executed by you in defence of the cancellation proceedings instituted against your entry or the S. W. ¼ of Section 4, Township 59, Range 27, West of the 4th Meridian, I beg to say that according to the information furnished it would seem that you are performing the residence duties in a satisfactory manner by living with your father on the N. E. ¼ of Section 24, Township 58, Range 1, West of the 5th Meridian.

I might state that it is noted that you claim twelve acres of breaking during the present year while the Inspector's report on file shows that only three acres has been broken. I am, therefore, to advise you that you will be allowed thirty days within which to communicate with the Agent of Dominion Lands at Edmonton offering any explanation you may wish in regard to this discrepancy.

Referring to your letter of the 21st of February, last, File W. 1895, enclosing a petition, signed by a number of settlers in the vicinity of the Town of Richardville, together with a statutory declaration from Mr. W. H. Thomas in regard to certain lands on the South West quarter of Section 4, Township 59, Range 27, West of the 4th Meridian, I beg to say that it would be well to advise Mr. Thomas that, as homestead entry has been granted for this quarter-section, the Department is not in a position to meet the wishes of the petitioners by reserving the timber on ten acres thereof for constructing roads. Sir,

Re S.E. 4-39-17-W. 4th M.

I beg to inform you that Mr. Michael J. Lorenz, Picardville, Alberta, advises that a lien for $40.00 clouds the title to the above described land, patent for which was issued in his name on the 20th August last, and to say the records here show that this lien was given by one Peter Conrad, a former entrant for the said land, and in view of the circumstances should not cloud the title to the said land.

You are, therefore, hereby authorized and requested to remove from the said the S.E. 4-39-17-W. 4th M., the lien in question for $40.00, wrongfully clouding the title thereto.

A copy of this letter is being sent to Mr. Lorenz for his information.

Kindly advise me of the action you may take in this matter.

Sir:

In 1915 this man received from the Department on the security of the above described land relief valued at $46.00 with interest at 5% from 1st April, 1916.

His entry to the land has since been cancelled, and same was re-entered by one M. J. Lorens. As Mr. Lorenz made entry for the land prior to the 2nd October, 1916, patent issued to him in 1923, clear.

As it appears on file that our statements have repeatedly been forwarded to the original Lienor, and that for this year has been returned undelivered, I would suggest that the matter be investigated with a view to locating him for collection.

I beg to acknowledge receipt of your letter dated the 31st ultimo and the accompanying report made by Homestead Inspector Dugran; and in view of the information conveyed therein to the effect that the original Lienor vacated the land ten years ago, and his present whereabouts are unknown, and further as the relief indebtedness incurred by Mr. Conrad to the amount of $45.00 and interest was not registered when patent to this land issued to the new entrant, M. Re: Account of Peter Conrad
S.W. 4-59-27 W. 4.

[illegible] on for an adjustment of [illegible] against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $45.00 was advanced to Peter Conrad on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 45.00	$ 85.50	$ 130.50

The S.W. 4-59-27 W.3. was formerly the homestead entry of the debtor on which security the 1915 advance of relief was obtained. His entry was cancelled on the 20th of May 1916, and the land was re-entered upon by a Mr. Joseph Lorenz on the 3rd of August 1916. The new entrant having made entry prior to the 2nd of October 1916, was not required to assume the indebtedness of the former entrant. Patent was issued in the name of Michael Joseph Lorenz on the 25th of August 1923, clear of any encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

W. J. Taylor.

[illegible]

To the Honorable the Secretary of the Interior,

C[illegible], Ont.

The undersigned residents of this community, moved respectively represent that the public wants and conveniences demand that the South-west and the N.E. quarters of 24-40-21 W.4th. be for the present reserved for final purposes for the settlers here residing.

Your petitioners would therefore request that your honor take such steps as are necessary to the re-inspection of this land and provide that it be set apart for the public use for the purposes above stated.

J. G. Rocheh, etc., etc.,

1902, but that no trace could be found in the records of any entry having been made by the other claimant, Mr.Battiens.

A petition has now been received here, signed by certain persons who state that they are "residents of this community", representing that "the public waste, and convenience demands" that this quarter section, as well as the S.E.¼, be for the present reserved for coal purposes, "for the settlers here resident", and asking that a injunction of these sale be granted, or the necessary steps taken to set the part for public use for two years stated.

The S.E.¼ of this section stands as a homestead in the name of N.C.Mathison, his entry having been made on the 30th day last.

MEMORANDUM:-

The S.½ of Section 24, Township 40, Range 21, West of the Fourth Meridian, would appear to have been taken up as a homestead by Mr.George Matthews, although the quarter section has also been entered for by Mr. George Oliver, (My letter of the 16th August last refers).

Mr.J.R.Wright of Pradine, Alberta, represented that the latter section was entered for as a homestead on the 1st May,1906, by Mr.George Matthews, and contends that the parcel is required by certain reasons of fraud for Mr. Oliver, and the Minister treats that an Investigation be ordered.

The Agent now calls in Mr.Oliver and Inspector Graham's report, in which the latter states that he finds the land in the quarter section to be of no special value, and that the surrounding country is fairly well watered, he sees no reason why the parcel should be reserved for timber.

The Inspector states further that Mr.George Oliver, the present entrant, has made a fair improvements, and would,therefore, prefer that his entry be completed, as entry appealed to another claimant.

It will be observed that it was pointed out that the quarter section in question stood as a homestead in the name of Mr.George Oliver, his entry having been made on the 16th June,

To the Minister of the Interior,

The undersigned residents of this community, duly respectively represent that the public wants and conveniences demand that the South-west and the N.E. quarters of 24-40-21 W.4th. be for the present reserved for fuel purposes for the settlers here residing.

Your petitioners would therefore request that your honor take such steps as are necessary to cause inspection of this land and provide that it be set apart for the public use for the purposes above stated.

A petition has now been received here, signed by certain persons who state that they are "residents of this community", representing that "the public waste, and inconvenience demands" that this quarter section, as well as the N.E.¼, be for the present reserved for coal purposes, "for the settlers here residing", and asking that a investigation of these facts be ordered, to the necessary steps taken to set apart for public use for the use aforesaid.

MEMORANDUM:-

The S.½ of Section 24, Township 12, Range 21, West of the Fourth Meridian, would appear to have been taken up as a homestead by Mr.George Matthews, although the quarter section has already been entered for by Mr. George Oliver, (by one or other of the 14th August last year).

Mr.J.R.Wright of Prairie, Alberta, represented that the quarter section was entered for as a homestead on the 1st of May,1906, by Mr.George Matthews, who contends that the Patent is required by certain reasons and figures for wood purposes, and the Minister directed that an Inspection be ordered.

The Agent now sends in Mr.Graham Inspector Bryce's report, in which the latter states that he finds the land on the quarter section to be of no special value, but that the surrounding country is fairly well wooded, he sees no reason why the parcel should be reserved for timber.

The Inspector states further that Mr.George Oliver, the present entrant, has made no improvements, and would,therefore, regard that his entry be cancelled, and entry granted to another applicant.

It will be observed that it was pointed out that the quarter section in question stood as a homestead in the name of Mr.George Oliver, his entry having been made on the 13th June,
